

St Mary's Catholic Primary School, Falmouth
Our 'School Offer' for Special Educational Needs and Disability (SEND) 2021-2022

All teachers are teachers of SEND. St Mary's Catholic Primary school as a community reflects and celebrates the diversity of Christ's Kingdom as laid down in our Mission Statement, where the able and gifted learn from and with, those with disabilities or learning difficulties of whatever nature. Our commitment is to every child and the SEND provision addresses our responsibility to all children, including those children with special education needs, related to physical, emotional or behavioural difficulties or learning needs.

OUR MISSION STATEMENT

We **place our children at the heart of all we do**,
inspired by the love, life and teachings of Jesus.

"I am the way, the truth and the life."

(John 14:6)

We aim to:

Nurture, Prepare, Support, Enable

- We **encourage** you to be happy, healthy and secure. Everything that you do is valued and celebrated.
 - We **prepare** you to have all the abilities to see your life as a gift.
 - We **support** your family to help you grow in your faith and your life.
- We **enable** you to reach your full potential, by providing you with a caring learning environment and an exciting curriculum

Early Support Team	<p>Early Support is an approach that works to ensure that services for disabled children are better coordinated, with a key working practitioner who can offer a single point of contact, coordination and support where families need it. The Early Support approach is built on 10 main principles (all of which can be found on the national website) and the team in Cornwall aim to follow these through working in partnership with parents and young people.</p> <p>Early Support in Cornwall uses an integrated model of multi-agency delivery which involves families accessing a Team Around the Child (TAC) process. The criteria for accessing Early Support in Cornwall remain broad to allow for inclusion of all children and young people with SEN and disabilities. However, to meet requirement and effectiveness of a TAC process, the child or young person would need to be receiving support from at least two other agencies.</p> <p>Children, young people and their families are able to contact Early Support for advice and guidance relating to a child's disability. Co-ordinators are able to support families in identifying and accessing appropriate services which the families can take control of co-ordinating, rather than following a TAC process, if the family chooses to do so.</p>	earlyhelphub@cornwall.gov.uk
