## 8. Risk Assessment

- 8.1 The school is committed to providing a wide variety of outdoor activities and visits designed to challenge and develop young people. These inevitably feature a degree of risk that demands management. Arrangements will be achieved by a risk assessment led by the Visit Leader for each activity/visit or series of visits undertaken. This process is guided by establishment specific Standard Operating Procedures (SOP) documents which have been created to establish minimum standards and expectations for Visit Leaders. There are currently three SOP documents for various categories of visit. These are:
- Residential SOP
  - Walking SOP
  - Transport SOP
- 8.2 These outline the minimum control measures that will apply to all such visits and off-site activities and have been drawn up by the Headteacher / Executive Headteacher, EVC and other Senior Leaders. They will be brought to the attention of anyone undertaking the role of Visit Leader.
- 8.3 In assessing the risks presented by a planned visit or activity, the Visit Leader must judge if the controls described in the SOP are adequate for controlling the risks. For each visit/activity, add any additional control measures needed in the enhanced risk assessment column of the SOP document.

- 8.4 Individual student risk assessments must be undertaken where the need dictates, this will include reference to individual healthcare plans.
- 8.5 Any activities delivered by school staff falling within the definition of Category B (adventurous), will have a separate stand-alone risk assessment; Adventurous Activities Led by School Staff Risk Assessment.
- 8.6 This process will be undertaken by the Visit Leader who, whilst being supported by the EVC, will be competent and equipped to complete this task. To meet statutory requirements and to ensure sufficient communication with other staff involved, this risk assessment will be recorded using the risk assessment format on Evolve.

## 9. Approval of Off-site Activities

- 9.1 In the case of Category B and Category C visits, the Headteacher / Executive Headteacher will be responsible for providing details of the trip to the Trust's Senior Executive Leadership Team for information **using the Initial Assurance Checklist at Appendix 2.   - 10.1.1 In the case of Category C visits, the Headteacher / Executive Headteacher must await express authorisation from the Trust's Senior Executive Leadership Team for authorisation to proceed to submit the visit for endorsement by the Local Authority on the Evolve system.
- 9.2 The Headteacher / Executive Headteacher will be responsible for approving all off-site activities subject to assurances from the EVC that arrangements are in line with this policy and risks are adequately controlled and, in the case of Category C visits, subject to express authorisation from the Trust's Senior Executive Leadership Team. This includes approving the Visit Leader and additional members of staff for each visit or off-site activity.
- 9.3 There are 3 categories of visit:

  - Category C:*

## 10. Safeguarding

10.1 The safety and welfare of children is paramount. In the event of a safeguarding issue or concern being identified during the trip or visit, the visit leader should follow the Trust's child protection/safeguarding policy and procedures and contact the school's Designated Safeguarding Lead immediately, including outside of normal hours if necessary. All staff and volunteers on the trip should be made aware of these before the trip or activity takes place.

10.2 Arrangements should be in place to enable contact with the school's Designated Safeguarding Lead outside normal college hours if necessary. Contact details should be communicated to all staff/volunteers on the trip (as well as the visit leader) in case the safeguarding concern is about the visit leader.

Access will also be made available to the overarching OEVOSA policy, and additional guidance information, via the Evolve system.
- 11.2 The Headteacher/Executive Headteacher will ensure that staff leading or participating in visits are competent for the activities involved. This process will be overseen by the Headteacher/Executive Headteacher and records of qualifications will be uploaded to the Evolve system.

## 12. Action in the Case of Emergency

- 12.1 The Headteacher/Executive Headteacher will ensure that emergency arrangements are in place before approving visits. The Visit Leader will identify these arrangements via a process of risk assessment. Where necessary, this assessment must include the identification of contingency plans.
