## NSPCC Number Day

NSPCC Number Day is on Friday 4th February.

It's a maths-inspired fundraising event where we raise money for the NSPCC. For this day your child can wear home clothes.

Here are some ideas of what your child could come to school dressed like:

- In their home clothes, make a race number and attach it to their top.
- Football kit with a number on it.
- Dressed as a number.
- Dots on their top
- Calculations on a t-shirt

In addition:

Your child needs to choose a number and be able to come into school with calculations for that chosen number.

For example:

10

$2 \times 5$

$2 + 2 + 2 + 2 + 2$

100 divided by 10

10% of 100

$\frac{1}{10}$  of 100 etc

We look forward to seeing and hearing your child's number stories next week.

Congratulations to the children from classes 3 and 4 that took part in the special enrolment service on Sunday at St Mary's church. These children are preparing to receive the Sacra-
