

**BIG Question: Why is it important that we remember the Titanic?**

This topic will help the children to build understanding of a historic event, paying attention to how it is relayed by different sources and why the event occurred. The children will study the tragic history event of the Titanic's sinking. They will explore a variety of different sources and people's views on why the Titanic sank. The children will also have the opportunity to consider the class system within the Titanic, how it related to Britain's class system at the time and the impact that this had on people's lives.

**Practise at Home:**

Children are expected to read EVERY night. They are now expected to know their times tables up to – if they don't they must continue to practise.

They will have homework set on Mondays to be returned by the following Monday.
