

LKS2 Module Two: Overview

LKS2 Module Two: Created to Love Others explores the individual's relationship with others. Building on the understanding that we have been created out of love and for love, this module explores how we take this calling into our family, friendships and relationships, and teaches strategies for developing healthy relationships and keeping safe:

Unit 1 – Religious Understanding tells the parable of The Prodigal Son, showing that God loves us, and nothing we can do will stop Him from loving us. Children will also learn about different types of sin, and the importance of forgiveness in relationships.

The sessions in **Unit 2 – Personal Relationships** help children to develop a more complex appreciation of different family structures, develop healthy relationships with family and friends and learn some strategies to use when relationships become difficult. Teaching also covers how to recognise discrimination and bullying, both physical and emotional. Children will learn strategies to develop resilience and resist pressure.

Unit 3 – Keeping Safe incorporates some of the excellent NSPCC Share Aware resources, as well as teaching on bullying and physical, emotional and sexual abuse through a series of animated stories. Through the animated expert Dr Datfa, children will also learn in greater depth about the effects of drugs, alcohol and tobacco and how to make good choices concerning these as they get older. The final session of the Module explores in more detail what to do in emergency situations.
