Dear Parents

We have had another fabulous week in school. The children's knowledge and vast learning can be seen clearly in every classroom, they show such pride in their work. Their confidence and happiness shines for all to see at St Mary's.

Our Reception Class had a wonderful visit to the library on Thursday. They walked to Falmouth and located special buildings in their community and then read lots of stories in the library. A special thanks to those parents who helped on this trip and those who came in to talk to Reception Class about their jobs.

As you may have heard, Pendennis headland has recently been devolved to Falmouth Town Council and in celebration of this Cllr Debra Clegg and Cllr Alan Rowe have sourced a selection of native trees to be planted by the school children of Falmouth near the entrance to the Ships and Castles area.

So next week, Class 5 have been invited to take part in this exciting event! The children will be part of this celebration of Falmouth taking ownership of the headland to stop further development. We look forward to seeing their trees grow!

Thank you for your continued support.

Warmest wishes, Mrs McDonald
